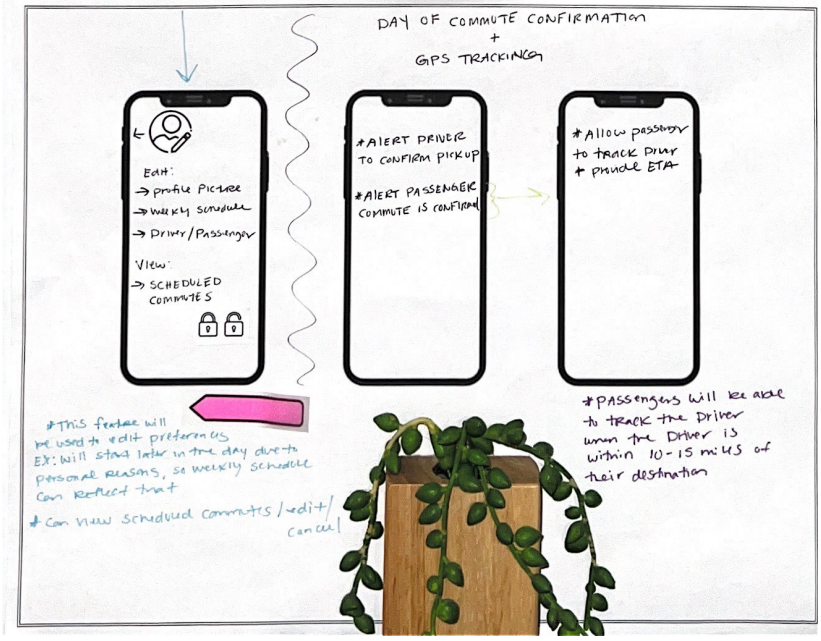
Chobani Coffee Creamer
*Students offering to drive will appear as car icons
*Students looking for transportation will appear as icons reflecting their preferred gender (M/F/NB/P)
*this selection will appear everytime the app is opened/ determine which icon you will appear as on the map
*The message icon will allow students the freedom to coordinate the commute on their own



DAY OF COMMUTE CONFIRMATION + GPS TRACKING
EDIT:
→ profile picture
→ weekly schedule
→ Driver/Passenger
View:
→ SCHEDULED COMMUTES
*ALERT DRIVER TO CONFIRM PICKUP
*ALERT PASSENGER COMMUTE IS CONFIRM
*Allow passenger to track Driver + provide ETA
*This feature will be used to edit preferences EX: Will stand later in the day due to personal reasons, so weekly schedule can reflect that
*Can view scheduled commutes/edit/cancel
*Passengers will be able to track the Driver when the Driver is within 10-15 mins of their destination
